N.A. - Information is not statistically meaningful due to an insufficient number of portfolios in the composite for the entire year. \*Information presented prior to June 21, 2004 pertains to portfolios managed by the Portfolio Management Team while affiliated with prior firms. The presentation conforms to GIPS® guidelines regarding the portability of investment results.\*\*Net performance reflects the gross-of-fees return reduced by the actual investment management fee incurred. Effective 1/2008, net performance is calculated by deducting the actual investment management fee incurred by each portfolio in the composite. Prior to 1/2008, net-of-fee returns reflect the deduction of the highest annual management fee, applied on a monthly basis. Effective January 1, 2021, the U.S. Small Cap Value Composite name has been changed to the U.S. Small Cap Value Quality Composite. There has been no change to the underlying strategy and/or management of the product. The composite name was changed as it more precisely reflects the investment philosophy for the product. Effective January 1, 2021, the Russell 2000 benchmark was removed. N.P. – Information is not presented because 36 monthly returns are not available.

1. U.S. Small Cap Value Quality Composite contains fully discretionary portfolios managed by Epoch using an investment strategy that pursues long-term capital appreciation by investing in a portfolio of approximately 60-90 small capitalization U.S. companies. As fundamental investors with a long-term orientation, we select companies based on their ability to generate free cash flow and allocate it intelligently for the benefit of shareholders. Our bottom-up security selection process is balanced with diversification and risk control measures designed to achieve below-average portfolio volatility. The minimum account size for this composite is \$500 thousand.
2. For comparison purposes the composite is measured against the Russell 2000 Value index. Effective January 1, 2021, the Russell 2000 benchmark was removed.

3. Epoch Investment Partners, Inc. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Epoch Investment Partners, Inc. has been independently verified for the periods June 21, 2004 through March 31, 2021. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. The U.S. Small Cap Quality Value Composite has had a performance examination for the periods June 21, 2004 through March 31, 2019. The verification and performance examination reports are available upon request. GIPS® is a registered trademark of CFA Institute. 4. Epoch Investment Partners, Inc. is a wholly owned subsidiary of The Toronto Dominion Bank. Epoch Investment Partners, Inc. ("Epoch") became a registered investment adviser under the Investment Advisers Act of 1940 in June 2004. Policies for valuing investments, calculating performance, and preparing GIPS Reports are available upon request.
5. Results are based on fully discretionary accounts under management, including those accounts no longer with the firm.
6. Effective January 1, 2008, our significant cash flow policy has been removed. This policy amendment will not be applied retroactively. Effective January 1, 2006, our significant cash flow policy had been redefined as in excess of 25% of the portfolio market value. Prior to January 1, 2006, composite policy required the temporary removal of any portfolio incurring a client initiated significant cash inflow or outflow of 10% or greater of portfolio market value. This policy was not applied to the advised Epoch mutual funds, if applicable. Additional information regarding the treatment of significant cash flows is available upon request.
7. Valuations are computed and performance is reported in U.S. dollars. Returns are presented gross and net of management fees and include the reinvestment of all income. Gross-of-fees returns are presented before management fees but after all trading expenses. Net performance reflects the gross-of-fees return reduced by the actual investment management fee incurred. Effective 1/2008, net performance is calculated by deducting the actual investment management fee incurred by each portfolio in the composite. Prior to 1/2008, net-of-fee returns reflect the deduction of the highest annual management fee, applied on a monthly basis.
8. Internal dispersion is calculated using an asset-weighted standard deviation of annual gross returns of those accounts that were included in the composite for the entire year. Internal dispersion figures that are not meaningful due to the limited number of accounts in the composite are annotated by N/A. The three-year annualized standard deviation measures the variability of the composite gross returns and the benchmark returns over the preceding 36-month period.
9. The U.S. Small Cap Value Composite was created June 2004, and the inception date is December 31, 2002. Effective January 1, 2020, the U.S. Small Cap Value Composite name has been changed to the U.S. Small Cap Value Quality Composite. There has been no change to the underlying strategy and/or management of the product. The composite name was changed as it more precisely reflects the investment philosophy for the product. A complete list of composite descriptions, broad distribution pooled funds and limited distribution pooled funds are available. Performance presented prior to June 21, 2004 occurred while the Portfolio Management Team was affiliated with a prior firm and the Portfolio Management Team members were the only individuals responsible for selecting the securities to buy and sell.
